NC Pre-Kindergarten (NC Pre-K)
Application Packet
Program Year 2017- 2018

APPLICATION PURPOSE AND AVAILABILITY

NC Pre-K funds may only be used to support services for young children in the year prior to entering Kindergarten. Approved Sites will be funded for the extent of the contract cycle. All awards are contingent upon and subject to appropriation, allocation and availability of funding through the North Carolina General Assembly and the North Carolina Division of Child Development and Early Education (DCDEE). Approved sites are required to comply with all applicable NC Child Care Rules, specifically Rule .3000 NC Pre-Kindergarten Services, the NC Pre-Kindergarten Program Requirements, and the NC Pre-K Fiscal Manual, during the funding cycle. **Approved sites are not required to resubmit an application for each funding cycle unless non-compliance is noted within site monitoring results.**

APPLICATION REVIEW PROCESS

Local NC Pre-Kindergarten (NC Pre-K) Programs are expected to offer families a variety of eligible settings to choose from in order to provide a high quality pre-kindergarten experience that will meet the needs of each individual child. A non-conflicted NC Pre-K Site Selection Sub-Committee will recommend sites for NC Pre-K placements and advise the local NC Pre-K Committee as they work to fulfill contractual site selection obligations. Information about approved sites is entered into the NC Pre-K Plan for Wayne County, as directed by the North Carolina Division of Child Development and Early Education. Once the Division approves the plan, local contracts may be awarded by the contracting agency. Final funding of slots is contingent upon approval of the budget passed by the North Carolina General Assembly.

Approval as a site for the contract cycle 2017-2018 does not guarantee that slots will be awarded, only that a site is *eligible* to serve as a placement option for NC Pre-K children. Slot allocations will be voted upon by the NC Pre-K Committee at a later date and are subject to change based on direction from the Division of Child Development and Early Education.

While the primary consideration for the selection of sites and allocations of slots will be based on meeting the needs of children and families with the highest quality early education settings, consideration is given for existing NC Pre-K sites and continued employment for qualified NC Pre-K B-K Licensed teachers. Consideration is also given to new applicants who demonstrate high quality to ensure that a diverse selection of services is available for at-risk children. Continuation as an NC Pre-K site is not guaranteed.

APPLICATION DEADLINE

Completed applications must be received (not postmarked) by **5:00 PM on September 18, 2017**. Applications received after the deadline may not be accepted for review. Send or deliver the original application with supporting documents. No faxed or emailed copies will be accepted.
