Dear Prospective Contractor:

The Partnership for Children of Wayne County is pleased to announce that we are now accepting multi-year requests for proposals for programming in Wayne County that will impact young children and their families. Our mission is to provide or connect families with the early care and education, health, and family support services needed for young children. We invite you to submit a proposal for one or more activities that will be beneficial to our community for the fiscal year beginning July 1, 2018 and for the subsequent two fiscal years.

The deadline for proposal submission is Friday, February 9, 2018. Completed proposal packets must be received in our office located at 800 N. William Street in Goldsboro by 12:00 Noon on February 9th. Request for Proposal instructions, checklists, application forms, and supplementary attachments are available through our website: www.pfcw.org or by contacting Michelle Chambers, Program Accountability Manager by telephone at (919) 735-3371 ext. 228 or by e-mail: mchambers@pfcw.org. Prospective contractors may contact Michelle Chambers at ext. 228 or Charles Ivey at ext. 224 about questions regarding their applications. All questions and answers will be posted on the Partnership for Children's website to ensure that all applicants have access to the same information. Please note that all programming is contingent upon the availability of funding.

Applicants are encouraged to submit proposals for well-designed new initiatives that meet the needs of our target population as well as currently funded programs. The Request for Proposals instructions provide information about the Board of Directors' criteria for funding decisions. Please forward this announcement to anyone who may be interested in submitting a proposal for services. We appreciate your support of young children in our community and look forward to working together to ensure that all children receive the start they need to become educated, healthy and self-reliant people who strengthen the social and economic future of Wayne County.

Sincerely,

Charles C Ivey
