Your Community Cares

Young Families Connect of Wayne County is one of only four YFC programs in NC. Our services are coordinated through the Wayne County Health Department in an effort to promote self-sufficiency, health and wellness and parenting skills, for young parenting or expectant families.

Similarly Wayne County as a community is committed to:

- the educational success of young parents and their children
- children that are safe, nurtured, and supported in their development
- the health of parents and children including prenatal health, reproductive life planning, well baby checks and more
- the financial sustainability of young families

Connect Your Way

Meet other parents & stay connected online through our state website:

www.youngfamiliesconnect.org

Learn to balance school, work and family, cook on a budget, prepare for job interviews, succeed at personal goal setting and much more!

Plan for your family's future (and your own) with college based continuing education and support in reaching educational goals.

Share your knowledge with other families & be a part of community change in our Young Families Connect Community Advisory Council.

Engage with other families seeking support by participating in our many programs and training opportunities through community partners.

TEXT4BABY: Text BABY to 511411 & get 3 FREE messages per week on your cell phone through your pregnancy and your baby's first year.

NCFAM: Text NCFAM to 66746 then TEXT QUESTIONS about pregnancy and your baby's first year. Get confidential answers and referrals to local services.
