Wednesday 10/9/2024 6:00 pm – 8:00 pm	Calling All SMILE Crusaders! & Brushing is FUN!	<u>Calling ALL SMILE Crusaders!</u> Baby teeth are important! Hear the latest on early childhood oral health – everything from national statistics to policies of the American Academy of Pediatrics and American Academy of Pediatric Dentistry. If you work with young children or their parents, you’ll want to know this valuable information and how you can help prevent tooth decay. Identify resources for early childhood oral health information. <u>Brushing is Fun!</u> combines early oral health best practices and sanitation guidelines giving early care and education programs the information they need to establish a toothbrushing routine in the classroom. Beginning when the first tooth emerges, child care administrators, caregivers, educators, and staff play an important role in young children’s oral health. Brushing with fluoride toothpaste is an evidence-based best practice to prevent early childhood tooth decay and recommended in the child care setting by Caring for Our Children National Health and Safety Performance Standards-Guidelines for Early Care and Education Programs.
